Regarding Right to Receive Teacher Information

Date:

Dear Parent:

Federal law requires that each school district receiving Title 1 funds notify parents of each student attending any school receiving these funds that information regarding the professional qualifications of their child's classroom teacher(s) may be requested.

As a parent of a student attending a school receiving federal program funds, you have the right to know:

- Is my child's teacher licensed to teach the grades and subject(s) assigned?
- Is my child's teacher teaching with a provisional license, meaning the state has waived requirements for my child's teacher?
- What is the college major of my child's teacher?
- What degree or degrees does my child's teacher hold?
- If there are instructional aides working with my child, what are their qualifications?
- If my child is or will be taught for 4 or more consecutive weeks this year by a teacher who is not highly qualified, will I be notified in a timely manner?

If you would like more information about any of the schools in the Bruneau-Grand View School District or to request the state qualifications for your child's teacher or instructional aide, please contact Vickie L. Chandler at 208-834-2253.

Sincerely,

Vickie L. Chandler
