Dear \_\_\_\_\_,

The Bruneau – Grand View Elementary Schools are planning their first ever 10K event! Our event, Ray Meyers Memorial 10K, will take place Friday, May 13<sup>th</sup>, 2011. The success of this program depends on our sponsors who are able to provide financial assistance and voluntarily participate in our community wide event. We have set the goal of collecting \$25,000.00 to help our community in the following ways: 65% raised will go to Student Council Programs at both elementary schools, 25% of the funds for preparation for the 10K of the following year, as well as 10% of funds to the Lymphoma and Leukemia Foundation to aid in cancer research, in Ray Meyers' name.

Ray Meyers was a valuable member of the community, serving many years on the school board, as well as a true supporter of education and the community as a whole. As a memorial to Mr. Meyers we want to honor him with this event, also in conjunction with our Coordinated Healthy Schools program to promote health and nutrition in our youth.

As a valuable sponsor of this event your company will be honored with their logo placed on event material. Sponsorships of \$100 or more will have their logos placed on the back of the t-shirts. All sponsorships will be recognized on the day of the race and on other event materials. By donating you will be able to target a majority of the community effectively within a short period of time. If donating please be sure to email an electronic version of your logo to Meghann Clark at [MClark@sd365.us](mailto:MClark@sd365.us)

We appreciate your support of our event. I will be glad to answer any questions you may have in regards to the event and sponsorship.

Thank you for your continued assistance to Bruneau – Grand View Joint School District 365.

Sincerely,

Bruneau-Grand View Joint School District 365 Healthy Schools
