

## Bus Purchasing and Maintenance

The board of trustees of Bruneau-Grand View Joint School District No. 365 may purchase or lease, and maintain and operate school buses as stated in Idaho Code 33-1501 for the purpose of transporting students. This district will operate its own fleet of school buses.

The district's transportation program will be under the direction of the transportation supervisor.

Bus purchases will be made in accordance with District Policy 307.1 concerning bidding procedures for acquisition of real property. All school buses shall at all times conform to standards of construction specified by the state board of education.

Prior to the beginning of school in each school year, all school buses shall be inspected before being placed in operation for that school year. The transportation supervisor, under the direction of the superintendent, shall provide for an annual inspection by district personnel or upon contract. At intervals of not more than sixty (60) days during the same school year, the transportation supervisor shall cause inspection to be made of all school buses operating under the authority of the board.
