

Hiring Process and Criteria

The Board of Trustees has the legal responsibility of hiring all employees. The Board assigns to the Superintendent the process of recruiting staff personnel. The Superintendent may involve various administrative and teaching staff personnel as may be needed in recruiting potential personnel. All personnel selected for employment must be recommended by the Superintendent or designee and approved by the Board. All certificated personnel selected for employment must also go through the screening process outlined in Idaho Code 33-1210 and be approved for hire by the Building Principal in the building to which they will be assigned.

To aid in obtaining quality staff members, the following non-exclusive list of factors will be considered, along with any other factors relevant to the position: qualifications, training, experience, personality, character, and ability to relate well with students. Every effort will be exerted to maintain wide diversity in staff experience and educational preparation. However, the welfare of the children of the District will be a paramount consideration in the selection of teachers and administrators.

Guidelines

1. There will be no discrimination in the hiring process. See Policy 501.1
2. Applicants for teaching positions shall provide evidence of meeting State requirements for regular certification and sign a statement authorizing current and past school district employers, including those outside the state of Idaho, to release to the District all information relating to job performance or job related conduct, and making available to the District copies of all documents in the applicant's previous personnel files, investigative, or other files. Such statement will also release the applicant's current and past employers from any liability for providing such information and documentation. Applicants who do not sign the statement/release shall not be considered for employment. The District will consider information received from current and past school district employers only for the purpose of evaluating applicants' qualifications for employment in the position for which they have applied and no one shall disclose such information to anyone, other than the applicant, who is not directly involved in the process of evaluating the applicants' qualifications for employment. Applicants may be employed on a non-contracted provisional basis as allowed by law. Applicants shall not be prevented from gaining employment if current or past out-of-state employers are prevented from or refuse to cooperate with the District's request. See Forms 50
3. Applicants for high school and middle school positions should have a major or its equivalent in the specific teaching field(s). Elementary applicants should have a major or its equivalent in elementary education or in the special area of assignment(s). Applicants for specific teaching positions shall also meet the applicable State standards.
4. When considering coaching assignments in secondary schools, preference for hiring will be given to a qualified teacher in the school where the coaching vacancy exists.

The Building Principal will certify that all qualified applicants within the building have been given consideration.

5. As required in Idaho Code 65-505, the District will observe preference for veterans and disabled veterans when considering hiring employees to fill vacancies, selecting new employees, or implementing a reduction in force.
6. As required in Idaho Code 33-130 and 33-512(15), the District will conduct a criminal history check for applicable positions. See Policy 501.1.2.
7. Each newly hired employee must complete an Immigration and Naturalization Service form, as required by federal law.

The employment of any certified staff member is not official until the contract is approved by the Building Principal, the Board, and signed by both the Board Chairman and the applicant.

To assist administrators in compliance with the above policy for the hiring of professional staff, the following guidelines shall be utilized:

I. Notice of Vacancies

- A. Vacancies will be posted only after the Board has approved written resignation from a contracted professional employee of the District, a termination has occurred, or if a new position is created within the District. When that official resignation has been received or a position is otherwise available, the Superintendent will post notices in all school buildings and the District Office.

The Superintendent's Office will post notice of any vacancy within the District for ten (10) school days for current teachers or administrators to apply for the position.

- B. Upon the conclusion of the ten (10) school day period, the appropriate administrator will meet with the appropriate building or program administrator, and review all requests to apply for the open position. The building/program administrator will have the responsibility to interview all applicants who meet the qualifications needed for the position, and may or may not make recommendation for such applicants after review.
- C. If an applicant is recommended and approved by the building principal, it will be submitted to the Superintendent immediately following such determination. Since such transfer would automatically create a vacancy in another location, notice of that vacancy will be posted as specified above, with the exception that if the same grade level vacancy for the school has already been posted, the above building notice requirement will be waived.

- D. Should the building/program administrator determine that he/she does not wish to accept the request to apply of any current employee, or no current employees have requested to apply, the principal will give notice to the appropriate administrator, who will prepare a job notice to be posted externally.
- E. An application or letter of interest will be maintained within the District file for a period of one year from the date of inquiry. It is the responsibility of any applicant who desires to be considered for positions within the District to reactivate his/her file annually.

II. **Job Vacancy Notices**

Any notice from the Bruneau-Grand View School District No. 365 will contain the following information:

- A. Position available and job description.
- B. Requirements for completed application, as applicable for position, include but are not limited to: 1) completed District application form; 2) official transcript of all university or college credits; 3) placement center file; 4) personal resume; 5) verification or eligibility of Idaho certification; and 6) signed statement/release for current and past school district employers.
- C. Timeline for receiving application.
- D. Process notification of how applications will be handled.

III. **Application Procedures**

It will be the responsibility of any applicant to provide the information listed in II B above.

- A. Such information must be received prior to the cutoff date for receiving applications as specified in the vacancy notice.
- B. It will be the discretion of the Superintendent, the appropriate administrator, and the building administrator to determine whether such deadlines should be extended to accommodate individuals where placement center files, transcripts or other materials are not yet received by the District for consideration. Such time extension will be restricted to a reasonable time frame.
- C. In addition to the certification information provided by the applicant, the District will also request from the Office of the Superintendent of Public Instruction verification of certification status, any past or pending violations of the professional code of ethics, any detail as to any prior or pending conditions placed

upon a certificate holder's certificate, any prior or pending revocation, suspension or the existence of any prior letters of reprimand and information relating to job performance.

- D. Within three (3) business days of receipt of the statement releasing information from prior school district employers, as required by I. C. 33-1210, such statement shall be sent to the prior employers with a request for release of information and documentation to be provided as required by that section.

Because responses to such requests may take up to twenty days, or possibly more for out-of-state school district employers, information received pursuant to such request may be reviewed prior to or after interviews have been concluded, at the discretion of the District. Where possible, such information should be utilized as part of the screening process. However, due to considerations of time, such early review may not be possible, and such information received pursuant to this process may be reviewed or utilized up to any time prior to offering employment to an applicant.

Information and/or documentation received by the District pursuant to a request under I.C. 33-1210 for non-successful applicants, may be disposed of pursuant to District document retention policy.

- E. Upon receipt of the completed applications, those applications will be placed in a file for review and consideration at the District Office.

IV. Preliminary Screening

- A. At either the time the job vacancy is published, or prior to the conclusion of the application period, the school administrator will provide notice to the appropriate administrator of the desired number of qualified individuals to be included in the "screening pool". The screening pool shall be defined as the number of individuals having completed applications that will be submitted to the building or program administrator for final screening.
- B. Should the building or program administrator desire to have applicants prioritized, he/she shall make such known to the appropriate administrator who will provide the prioritized list of a number consistent with the pool.

V. Screening

- A. The building or program administrator may establish a committee to assist in the final screening process.

- B. The committee, upon receiving the written applications from the appropriate administrator will review those applications for the purpose to:
 - 1. Determine those most suited to the position.
 - 2. Make personal telephone contact with one or more references submitted by the applicant.
 - 3. Contact individuals who might know the candidate, but were not listed as references, if needed.
 - 4. Invite the top candidates to be interviewed for the position.
- C. The committee will establish the procedures at the building or program level for interviewing the successful applicants.
- D. For those applicants who have no prior public school work experience or whose out-of-state former employers will not release documentation requested pursuant to I.C. § 33-1210, the screening committee or administrator may engage in whatever background checks it deems appropriate, but at a minimum shall verify all prior work experience and educational achievement listed by the applicant as the committee or administrator deems appropriate, preferably by contacting the prior employers and/or educational institutions listed by the applicant, and shall communicate with every person listed as a reference by the applicant.
- E. Upon determining the qualified applicant, the building administrator will submit to the Superintendent the recommendation for the applicant to be offered a contract.

VI. Acceptance Procedure

Once the Committee or administrator has selected the final candidate, the name will be provided to the Superintendent who will review the applicant's credentials with the building/program administrator. If the Superintendent and Building Principal concur with the recommendation, the Superintendent will:

- A. Authorize a verbal offer of employment, pending Board approval, to be made to the candidate.
 - a. If, at the time the verbal offer of employment is made, the District has not yet received documentation requested pursuant to I.C. 33-1210(3), the District may provisionally employ such applicant on a non-contracted basis for up thirty (30) days after receipt of the documentation. Within that thirty day time period, the Board may issue a written statement to the applicant

identifying why a standard contract will not be issued and specifying which information justifies such decision. The Board may not identify any reason for non-issuance of a standard contract not based on the documentation received. If, within thirty (30) days from the receipt of the information requested pursuant to I.C. 33-1210(3) no contract is issued or the written statement of non-employment is not provided to the applicant, the employee will be deemed to be employed pursuant to a Category A contract. During this provisional employment, the applicant shall be provided the same compensation and benefits as if the employee had been employed on a standard certificated contract.

- b. If no documentation is received from out of state employers, the District may employ the applicant on a standard contract without utilizing the provisional, non-contracted employment.
- B. Upon receiving verbal acceptance by the candidate, the Superintendent will prepare the necessary papers for recommendation to the Board of Trustees at the next regular or special Board meeting.
- C. Submit to the Board of Trustees such recommendation.

VII. Board Action

The Board of Trustees of the Bruneau-Grand View School District No.365 will:

- A. Have placed before it all candidate names for the position; and
- B. Vote relating to approval of the candidates. If members of the Board personally have knowledge not available to the building administrator and the screening committee the Board will not take action until all concerns have been reviewed by the building/program administrator.

VIII. Approval

Upon approval by the Board of Trustees, a contract, in a form approved by the State Superintendent of Public Instruction, will be sent or given to the applicant pursuant to the requirements set out in I.C. 33-513. The applicant must sign the contract and return it within ten (10) days from the date the contract is delivered to them. Should the person willfully refuse to acknowledge receipt of the contract or the contract is not signed and returned to the Board in the designated period of time, the Board may declare the position vacant. Should the candidate not be approved, or the person willfully refuse to acknowledge receipt of the contract or the contract is not signed and returned to the Board the Superintendent will remand the situation to the building administrator and screening committee to provide the next applicant's name for consideration.

Any person on provisional employment pursuant to I.C. 33-1210(7) shall be subject to the same time limits and provisions for return of a signed contract when and if such contract shall be provided to them for signature.

IX. Certification

To qualify for employment, each teacher or administrator must have a valid Idaho teaching/administrative certificate on file in the District Office at the beginning of the school year. Salary will be withheld if the certificate is not on file by September 10 of the given year.
