

Transfer Students

Students, grades kindergarten through twelfth, transferring to Bruneau-Grand View Joint School District No. 365, from non-state accredited school (public, private, or parochial) shall be required to demonstrate proficiency in the several subjects required by the state or district for placement at the proper grade level. Demonstration may take the form of standardized tests, locally prepared tests, and/or oral tests conducted by a teacher or teachers of the district. Demonstrated proficiency is at the discretion of the principal.

The administration is authorized to accept transfer credits from other secondary schools to meet Bruneau-Grand View Joint School District No. 365 (Rimrock) graduation requirements provided that:

- The sending school is an accredited high school with membership in the Northwest Association of Schools and Colleges or its approved counterparts in other states, or
- The sending school is an accredited high school with membership in the National Lutheran Schools Association and also passes a standards review as determined by the high school principal and superintendent of schools, or
- The sending school is an approved high school by the Idaho Department of Education and also passes a standards review as determined by the high school principal and superintendent of schools.

The administration shall not accept transfer credits from any home study or home instructional programs or from private schools which fail to meet the above criteria.
