Does my child have to have all of his/her Immunizations before I can register him/her for school? (Idaho Code 39-4801) Idaho Code Section 39-4801, Idaho Department of Health and Welfare Rules, IDAPA 16, Title 02, Chapter 15 "Immunization Requirements for Idaho School Children." All children in pre-school or entering into grades K-12 must meet immunization requirements at registration and before attendance. **No Child shall attend school without proof of immunizations status.** Idaho Immunization Requirements (Spanish Version).

Exemptions to Immunization Requirements: Idaho law allows a parent/guardian to claim an exemption from immunization requirements for their child for medical, religious, or personal reasons. **All exemptions must be documented on the official Idaho Exemption Form provided by the Idaho Department of Health and Welfare, Immunization Program (available at www.immunizeidahoschools.com).** A medical exemption requires the signature of a licensed physician and certification that the child has a medical condition, which prevents him or her from receiving one or more of the required vaccinations. **The law does not allow parents/guardians to claim an exemption because the shot record is lost or incomplete, or because it is too much trouble to contact the physician or clinic and obtain a copy.**
